

Subject: Updated Task List for ReviewMyCoach Website

Hey [Name],

Here's the updated breakdown of what I need done right now:

1. Continue Uploading Coaches

(I'll fill in specific instructions for this one later - just keep it open for now.)

2. Create "Terms & Conditions" and "Privacy Policy" Pages

3. Build the About Page

- About the Founder: Short section about me (Henry Kang - D1 soccer player, pilot-in-training, and entrepreneur).
- Our Mission: Transparency, accountability, and trust in the sports world.

Keep the tone personal, inspiring, and professional. Use photos and clean formatting.

4. Update Website Aesthetic

Modernize the entire site's look and layout.

- Clean, minimal design (look at RateMyProfessor, Yelp, and LinkedIn for inspiration).
- Consistent fonts, spacing, and alignment.
- Color palette: trustworthy and professional (light background, bold accent color for buttons).
- Must be fully optimized for both mobile and desktop.

5. Improve SEO (Search Engine Optimization)

- Add proper meta titles, descriptions, and keywords to every major page.
- Set up sitemap + indexing in Google Search Console.
- Include alt text on images and proper header tags (H1, H2).
- Focus on keywords like:
 - "review my coach," "college coach reviews," "athlete feedback," "sports recruiting platform," "coach rating site."
- Goal: increase our visibility and ranking when people search those phrases.

Let me know once you've read this and can send me an estimated timeline for each.

Thanks,

Henry
